Tunc Catal

The Editorial Board met on the Zoom platform on 07.05.2025, at 17.30 (Istanbul), and made the following decisions:

**DECISIONS:**

Meeting summary for Editorial Meeting 2025 (07/05/2025):

- 1) It was decided that EUCHEMBIOJ Reviews would implement a double-blind peer review process.
- 2) It was decided that studies would be conducted to improve the journal impact factor.
- 3) It was decided that the editorial boards of EUCHEMBIOJ Reviews and The European Chemistry and Biotechnology Journal would be expanded with the participation of expert editors from different geographical regions and that diversity would be encouraged.
- 4) It was decided that studies would be conducted to increase the visibility of the journals at the EUCHEMBIOJ 2025 conference to be held on 05-07 December 2025.
- 5) It was decided that the next annual general editorial board meeting would be held in April 2026.

The annual general editorial board meeting was completed after the wishes and wishes.
